

# WARRAWONG Public School NewsLetter

Term 4

Week 5

14 November 2018

## Lots happening at WPS this term

It is a busy time of the year at Warrawong Public School. Students have been lucky enough to be offered a number of interactive learning experiences which take them outside the grounds of Warrawong Public School and give them the opportunity to experience the wider world around them.

### Stage 1 Killalea State Park

Our stage 1 students were gifted a beautiful sunny day to accompany them on their trip to Killalea. From all reports, there were a lot of tired legs, but a lot of happy students by the end of the day. Kindergarten and the Support unit will also visit Symbio Wildlife Park this week. It is such a great opportunity for everyone involved to go and see the animals and experience learning in a new way.

### Stage 2 Aquarium and Sydney Tower Darling Harbour

Stage 2 students were lucky enough to travel to Sydney and Darling Harbour to the Sea Life Aquarium and the Sydney Tower. It was a huge day for everyone with the kids leaving at 8:00 am and returning at 4:30 pm but the students and teachers had a great day. It was fantastic to see everyone still buzzing with excitement when they returned to school.

### Swim Scheme

Next week School Swim Scheme will begin, giving a fantastic opportunity for some of our students to learn and practise an important life skill. Every year we have a number of students who forget to pack their swimmers, towel or whatever else they need. If everyone could remind their children about being responsible and organised with their belongings, it would be much appreciated and avoid potential issues in the following two weeks.

# Quality education in an innovative and supportive environment

## Sports Star in the making

As they say, shoot for the stars and one day you will get there. Rhiannon Gregorio who is a sibling of one of our current students and also a past student of Warrawong Public School has certainly done that.

Rhiannon starting playing oztag at age 15, and set her goals to be the best she can be.

Rhiannon's oztag achievements include:

- . State Cup 2015, 2016, 2017
- . National Vipers 2015, 2016, 2017
- . Australia 2018 and claimed the world championship prize.

Not only does Rhiannon play oztag she is also playing rugby league in the Tarsha Gale Cup for the Canterbury Bulldogs.

Rhiannon is an example of if you put your mind to a goal you can achieve anything.

Well done Rhiannon, you have done yourself, your family and Warrawong Public School proud.

## Kinder Enrolments 2019

We are still taking enrolments for Kinder 2019 and our Kinder Orientation days are fast approaching. If you or anyone you know has children who are from our local area ready to start Kinder next year then now is the time to enrol at our school. Warrawong Public School provides a comprehensive curriculum to suit students of varying needs and we are more than happy to assist you in this very important step in your child's life. Please contact the office via telephone on 42741399 or call in.

## Thought of the Week

“  
When people are determined they can overcome anything.  
”

*Nelson Mandela (Former President of South Africa)*

## Next P&C

The next meeting of our P&C will be held on Tuesday 27 November at 9:30am in the Parent's room.

Have a great week!
