Week 7

4 September 2019

## Extravaganza Week

Our Extravaganza Week is taking place all this week. We set aside this week to celebrate Education Week, Book Week and Literacy, Numeracy Week all together in one big celebration of Public Education.

We are also going to celebrate the school's 70th Anniversary.

On Monday we started with a special assembly to celebrate our 70th Anniversary. That was followed by Open Classrooms in the afternoon. It was fantastic to see so many parents, former teachers, students and Principals attend the Assembly and then stay for the Open Classrooms in the afternoon. Congratulations to Mrs Geary and her team who did a great job in organising the assembly. Also thank you to our School Leaders who ran the assembly, I was very proud of the outstanding job you did.

The Book Parade was held this afternoon. It was great to see so many parents and visitors here at school. I continue to be amazed at how creative the costumes are!

This morning the children were entertained by our Book Week Show "Big Dreams" will be free of charge

There are lots of other activities organised as well. A classroom, as it would have been in the 50's/60's, has been created to give our students a glimpse of what school was like back then.

## Regional Athletics - Friday 13 September

We have a team of ten students travelling to the Regional Athletics Carnival in Canberra on Friday 13 September 2019. I would like to wish them the very best of luck and I'm sure they will do an excellent job of representing our school.

Our region starts at Helensburgh and goes all the way down the coast to the Victorian border. It also extends west to the Southern Highlands and the Queanbeyan area. A great effort to make it to this carnival. Well done!
