Regional Athletics

Congratulations to our team of ten athletes who travelled to the Regional Athletics Carnival in Canberra last Friday. They did an excellent job of representing our school by the way they competed and through their exemplary conduct on the day.

Thank you to Mrs Bowen and Mrs Prior for their organisation of the team. Also a big thank you to Mr French who at the last minute transported a group of our athletes.

Congratulations to Miss Bowen who coordinated the entire Regional Carnival with great success.

Public Speaking Finals

Last Wednesday the Warrawong Community of Schools held grade finals for Public Speaking at Warrawong High School. Two representatives from each stage competed against other students from our Community of Schools. The students, with the help of their teachers, had written and practised their own speeches during class time as their Literacy focus.

A big thank you to all the teachers who have been assisting the students in the preparation of their speeches and to Miss Crago for her organisation and coordination of the competition.

I was very proud to see our students on the stage performing their speeches so well. A great effort!
