Maddison B	Nyetalee J
Georgia S	Saige P
Wendy B	Ciara A
Gary H	Zahara M

2020

As we are all well aware 2020 has been a very difficult year that has presented all of us with many challenges.

Normally at this time of year WPS is welcoming families into the school for many events. Unfortunately, this year we are unable to conduct events in our traditional way.

I would like to take this time to thank our teachers who have had to reorganise ALL events to ensure that they are COVID compliant. This has been a huge undertaking. In some cases, it would have been easier to cancel events but this would not have been fair to our 2020 students.

I would like to congratulate our teachers and support staff for their willingness and enthusiasm to find ways to make things work and still comply with restrictions.

Swimming and Water Safety Program 2020

Once again, we have had a great response to Swim Scheme. A big thank you to Mrs Thurgate and to Mr Mineeff for their efforts in organising the scheme.

A number of schools were not able to provide a scheme for their students this year due to COVID restrictions.

It was great that WPS was able to "make it happen" and provide our students with lessons in such an important skill.

Kinder Orientation 2021

The school has now released three videos on our You Tube channel to assist students and parents in beginning school at WPS. The videos have been viewed many times.

You can access the videos here:

Video 1: <https://www.youtube.com/watch?v=BoWDC8iFPU4&t=5s>

Video 2: <https://www.youtube.com/watch?v=c0ZcptsKiaA>

Video 3: https://www.youtube.com/watch?v=v_0fg-SAvoY

A fourth video is coming soon!

If you have or know someone with a child of school age in 2021 it is not too late to enrol. Please come along and visit our School Administration Office for an enrolment and information pack!

Presentation Day, 9 December

Presentation Day will be taking place this year. Due to COVID restrictions we have had to organise it in a very different way.

We are unable to have the entire school together for the length of time the Presentation will take. Presentations will be made in Stages throughout Wednesday 9 December 2020.

We are aiming to Livestream the events through our Facebook page so that parents can view the presentations.

More information on times and access will follow as we finalise the event.

Year 6 Graduation, 14 December

The good news is Year 6 Graduation will be going ahead this year. Due to COVID restrictions it will be different to the way we have planned it in the past.

Students will not be dressing for a formal occasion. It will be held at school during the evening. It will take the form of a games type night. Dinner will be served to students in a COVID safe way and a Graduation Ceremony will still be held.

The School Dentist, 30 November - 1 December

Due to COVID restrictions, we have been asked by the School Dentist to re-send the consent forms home so families can give permission for their children to receive dental treatment.

It would be appreciated if you could have these forms completed and returned to the office by Friday 27 November 2020.

Thought of the Week

“We know what we are, but know not what we may be.”

William Shakespeare- English Dramatist- April 23 April 1564 – 23 April 1616

Have a great week and stay safe.

Wayne Farquhar
Principal
